☀ *Develop the high energy and empowering beliefs necessary to achieve psychokinesis.*

☀ *Power up your healing and manifestation skills*

Psychokinesis (PK) uses non-physical energy to influence physical matter reality. In over seventy Adventure programs participants have used the gaming tables and slot machines of exciting Las Vegas to learn and demonstrate PK. As taught by Dr. Joe Gallenberger, PK opens hearts, addresses fears, and expands conscious living. Participants report transformational experiences including instant healing of chronic health conditions, new-found ability to heal others, deepened intuition, and dramatic manifestations of abundance. With Joe's guidance you are sure to learn much about yourself and creating the reality you desire.

How do we do this? Prior to the workshop we use a preparation manual at home which includes energy and belief exercises. In Vegas, we use Hemi-Sync and heart-opening exercises to quickly create the peak energy needed for strong PK experiences. Joe expands on known manifestation principles, adding many other "magic ingredients" for fast, powerful results. Then we go to the casino as a group and play for fun, fellowship, and winning! We experience immediate, "real world" feedback of our energy sending abilities, allowing for rapid fine-tuning of the process. Playing with small amounts of money galvanizes attention, and heals personal dynamics about risk and deservingness that are central to manifestation.

While winning cash can't be guaranteed and *is not our primary goal*, it is possible to win your tuition and more! Participants practice harnessing heart energy to create in their world. PK flourishes while in a grounded, focused, joyous state from which physical and emotional healing and clear intuition can occur. It is a great way to live! Come experience this state for yourself.

Comments from participants:

“My first time doing a 20 minute roll at the craps tables was my first genuine contact with an energy of the universe that was timeless, noiseless, vibrant, centered, empowering and fully expanded. I GOT IT! And from a long time meditator, Hemi-sync addict, Brennan healer, I tell you this state was DIFFERENT. In all truthfulness, those 20 minutes were, so far, the most important experiential moments of higher consciousness that I have experienced in a long, long time. With a bigger, brighter heart” - M

“I learned that PK energy and healing energy are the same. It is an energy that flows best when you open your heart; have love and joy; and are playful, grateful and trusting.” – Gary Whitlock

“Our trip with you has been very powerful for me and also for Lucie. At the workshop we worked a lot with the meaning of money, giving/receiving, charity, open-heartedness, and our spirituality around the craps table...I (now) play from a meditative state and I try to keep myself separate from the outcome of the dice. In a sense, I am doing a healing of the whole environment of the craps table. Guides, angels and even Jesus may appear around the table. At first, I was shocked by the apparent sacrilege. But now my table is quite a sacred place for me.” - Rob McInnes
